

Park Royal Partnership

Park Royal Partnership (PRP) is a not for profit company that brings together private companies, local authorities and other public sector organisations committed to the promotion and redevelopment of Park Royal – one of the largest business groupings of its type in Europe. PRP aims to raise the quality of every aspect of Park Royal for the benefit of those who invest, work, live in or visit it. This is achieved through business, transport, environment, community and employment projects.

Why Green Mark?

Park Royal Partnership participated in the award scheme because they felt that by achieving Green Mark status that would be able to deliver a more effective and environmentally conscious service to their members. The status of Green Mark will develop and inspire their environmental objectives and will work as a catalyst for the further reduction of their impact on the environment.
